Important items to note before you get started:

- Engineering eConnection is available only to students officially enrolled in a Cullen Engineering degree-seeking, major field of study.
- You must contact the Engineering Career Center for your user name and password if one has not already been assigned to you.
- When you navigate away, and then back to one of the links at the top (i.e. Home or Events or Calendar), you will be brought to the tab you were viewing when you were last on that page. Use the “back” link within the system, not on your browser, or just click on the tab you want to view.

Navigate the Homepage

1. View at-a-glance features (Announcements, Quick Links, Calendar, Alerts, etc.) by clicking on the Home link in the top toolbar.
2. Access all system sections with one click by clicking on Quick Links.
3. View important events by clicking on highlighted days in the Calendar.
4. View system-driven alerts.

The screenshot shows the 'The Link' homepage in Microsoft Internet Explorer. The browser's address bar displays the URL: <https://eng-uh-csm.symlicity.com/students/>. The page features a top navigation bar with links: home, profile, documents, jobs, employers, interviews, events, and calendar. The main content area includes sections for announcements (with a disclaimer), quick links (listing pending and scheduled campus interviews, jobs, activity summary, and demo fair participants), alerts (showing no current alerts), and a calendar for September 2006. A feedback form is also present.

1. Home link in the top toolbar.

2. Quick Links section.

3. Calendar for September 2006.

4. Alerts section.

Build your Personal Profile

1. Build your personal profile by clicking on the Profile link on the top navigation bar.
2. Click on the Personal Information and Academic Information tabs to update information.
3. Update your system access by clicking on the Change Password tab and creating a new password.
4. Update Privacy settings by clicking on the Privacy tab.
5. Track internships on the Internship Placements tab.
6. You MUST submit your changes before you navigate away from the Profile Section, or they will be lost.

The screenshot shows a Microsoft Internet Explorer browser window displaying a student profile page. The address bar shows the URL: <https://eng-uh-csm.symlicity.com/students/?s=profile&lsl=1>. The page has a navigation bar with links: home, profile, employers, interviews, events, and calendar. The 'profile' link is highlighted. Below the navigation bar, there are tabs for: Personal Information, Academic Information, Privacy, Placements, Change Password, Activity Summary, and Help. The 'Personal Information' tab is active. The form contains the following fields and controls:

- Buttons: Save Changes, Save Changes And Continue, Reset Form, Cancel.
- Student ID: HA1234567
- First Name: Roxana
- MI: (empty)
- Last Name: Afshar
- Gender: F M
- Ethnicity: (dropdown menu)
- Date of Birth: September 28, 2006

Green arrows are overlaid on the image to indicate key actions:

- Arrow 1: Points to the 'profile' link in the top navigation bar.
- Arrow 2: Points to the 'Personal Information' tab.
- Arrow 3: Points to the 'Change Password' tab.
- Arrow 4: Points to the 'Save Changes' button.
- Arrow 5: Points to the 'Placements' tab.

Manage Documents

1. View existing and upload new documents (resumes, cover letters, and transcripts) by clicking on the documents link on the top navigation bar.
2. Click on Add New to upload new documents
 - a. System will convert document to pdf. The process could take 5-10 minutes.
 - b. Engineering Career Center must approve your resume. It will remain on the Pending Documents tab until it is approved by Engineering Career Center.
 - c. Be aware that the name of your resume may sometimes be visible to employers.

The screenshot shows a web application interface for managing documents. The browser window is titled "The Link - Microsoft Internet Explorer" and the address bar shows the URL: https://eng-uh-csm.simplicity.com/students/index.php?s=resume&_ksl=1. The navigation bar includes links for "home", "profile", "documents", "myers", "interviews", "events", and "calendar". A green arrow labeled "1" points to the "documents" link. Below the navigation bar, there are tabs for "Approved Documents" and "Pending Documents". The "Approved Documents" tab is active, showing a table with 2 items. The table has columns for "Document Title", "Document Type", "View", "Last Modified", "Status", and "Options". The items are "Cover Letter" and "Resume". A green arrow labeled "2" points to the "+ Add New" button below the table.

Document Title	Document Type	View	Last Modified	Status	Options
Cover Letter	Resume	 	09/28/2006 11:59:57 am	ready	<input type="button" value="Delete"/>
Resume	Resume	 	09/29/2006 10:28:46 am	ready	<input type="button" value="Make Default"/> <input type="button" value="Delete"/>

Search for Jobs

1. View job postings by clicking on Jobs on the top navigation bar, then selecting CSM Jobs.
2. Sort the job list by major position type, industry, or key words by utilizing the dropdown menus at the top.
3. Click on Show List With Status to see the status of jobs (applied, qualify, non-qualify).
4. Review position details by clicking on a link in the Title column.
5. When using the search, the system looks for EXACT matches. So, for example, if you want jobs for finance majors, you must search not only for finance majors, but also for "all majors." The simplest solution is generally to search on jobs for which you qualify and leave all other fields blank.
6. When performing searches, if you hold down the control key, you can select more than one option.

The screenshot shows a web browser window with the URL https://eng-uh-csm.symphlicity.com/students/index.php?s=jobs&_ksl=1. The navigation bar includes links for home, profile, documents, jobs, interviews, events, and calendar. The 'jobs' link is highlighted with a green arrow labeled '1'. Below the navigation bar is a search form with the following fields: 'Show Me' (set to 'All Jobs & Interviews'), 'Majors/Concentrations' (dropdown), 'Position Type' (dropdown), 'Industry' (dropdown), and 'Keywords' (text input). A green arrow labeled '2' points to the search form. The search form includes 'Search' and 'Clear' buttons. To the right of the search form is a 'Campus Interviews' section with options for 'P = Pre-select', 'O = Open', 'J = Job Listing', and 'CF = Career Fair'. A green arrow labeled '5' points to the 'show list with status' link. Below the search form is a table of job listings. A green arrow labeled '4' points to the 'Engineering Internship' link in the 'Job Title' column. The table has columns for Job Title, ID, Employer, Location, Position Type, Posted, Deadline, and Type. The table contains 10 rows of job listings.

View and Apply for Jobs

1. Review the Posted Date and Resume Submission deadline by utilizing the Important Dates feature on the right.
2. Submit a resume, if qualified, by highlighting the proper resume name from the resume dropdown, inputting cover notes (if applicable), and clicking the Submit button from the Application Status on the right.
3. You will only be able to apply for a position if you meet the criteria set by the employer for the position. If your GPA is lower than the employer's set minimum, the system will not allow you to apply. If your major is not one of the majors that the employer has specified for the position, the system will not allow you to apply.
4. You can only submit the documents that a company has said it will accept. If the company wishes to receive resumes only from candidates, you will not be able to submit a cover letter or your transcripts.

The screenshot shows a web browser window with the address bar displaying a URL from symlicity.com. The page content includes a navigation menu at the top, a breadcrumb trail, and a main content area for a job posting. The job title is 'Mechanical Engineer - Product Design Engineer I'. A yellow note indicates it is an on-campus recruiting position. The 'Position Information' section lists employer details, job title, location, and salary range. The 'Position Requirements' section lists applicant type, degree level, major, and work authorization. The right-hand side contains an 'Application Status' section with a resume dropdown and a submit button, an 'Interview Date(s)' section with the date Oct 18, 2006, and a 'Schedule Details' section with various dates for submission and sign-up. A 'Screening Criteria' section at the bottom lists the major as Mechanical.
